## Premium Subscription 6 Month Promotion

**Q: What is VMware Learning Zone?**

A: VMware Learning Zone is your single source for digital training from VMware. 24/7 access to training delivered by top VMware experts and Certified Instructors lets you learn when, where, and how you want.

**Q: What is included in the VMware Learning Zone Premium promotion?**

A: 182 days of 24/7 access to VMware Learning Zone Premium Subscription for free. In addition to all Basic Subscription content, the Premium Subscription includes advanced troubleshooting, configuration, and solution-oriented best practice videos as well as 12 Certification Exam Preps (over 650 videos).

**Q: What's NOT included in the VLZ Premium promotion?**

A: On Demand Courses and hands-on labs which are only available with the Enterprise Learning Subscription (ELS).

**Q: Who is eligible for this promotion?**

A: Everyone! We realize that people are juggling a lot of different priorities right now, and our goal with this promotion is to provide a flexible learning option for people to consume what they need, on a schedule that works for them.

**Q: How long is this promotion available?**

A: You can register for this offer any time from now through October 30, 2020.

**Q: When will my subscription expire?**

A: Your subscription will expire 182 days from the date you register for the promotion.

**Q: How do I take advantage of this promotion?**

A: First, login to myLearn.

1. Already registered myLearn users: [Login HERE](#)
2. New myLearn users: [Register HERE](#)
3. Having issues logging in? [Email myLearn Support](#)

**Next, register for the promotion using the [VLZ registration link](#).**

**Q: I am already a VLZ Premium subscriber. Can I still take advantage of this promotional offer?**

A: Yes! If your subscription ends **before October 30, 2020**, you can use the [VLZ registration link](#) to register for an additional 6 months of VLZ premium. Please wait until after your current subscription expires.

If your subscription ends **after October 30, 2020**, please contact a [VMware Education sales representative](#) to discuss how to take advantage of 6 months of VLZ Premium for free after your current paid subscription ends.

**Q: What if I would rather purchase VLZ Premium for 12 months?**

A: Great! We are still offering 12 months access to VLZ Premium. Contact your [VMware Education sales representative](#) for more information.
